## Letter of support

to host and organization of the

**18th International Conference on Photoacoustic and Photothermal Phenomena – ICPPP18,  
2015, Novi Sad, Serbia.**

Dear colleagues,

**Institute of Multidisciplinary Research, University of Belgrade,**

in cooperation

Institute of Physics, University of Belgrade,

with the strategic support of

Ministry of Education, Science and Technological Research of Republic Serbia,

Universities of Novi Sad,

Tourism Organization of Serbia,

Tourist Organization of Novi Sad,

and valuable assistance from the

Serbia Convention Bureau,

provides full support to host and organization of the

**18th International Conference on Photoacoustic and Photothermal Phenomena – ICPPP18,  
2015, Novi Sad, Serbia.**

Institute of Multidisciplinary Research is a science & research and higher education public institution established by the University of Belgrade and the Serbian Parliament in 1970, with the aim to promote research and postgraduate education (Masters and PhD) of young scientists in the border, multidisciplinary and interdisciplinary areas of science and research. Among other multidisciplinary areas, Institute of Multidisciplinary Research for over thirty years working in the field of photoacoustic and photothermal science.

Institute of Multidisciplinary Research has organized a number of international and national conferences (World round table conference 2008, Conference NanoBelgrade 2012, 2nd International Conference of the Serbian Ceramic Society, ...)

Thanks to your support for Serbia as a destination to host the 18th International Conference on Photoacoustic and Photothermal Phenomena, 2015, we assure you that we will do everything to make this conference a successful and memorable.
