

Support Letter to Host of the 2015 International Conference of Photoacoustic and Photothermal Phenomena in Novi Sad, Serbia

Dear Organizers and delegates,

We in the Panacomp Wonderland Travel Serbia as the Technical Organizer of the 18th International Conference on Photoacoustic and Photothermal Phenomena which will be held in Novi Sad, Serbia from 6-10 September 2015, congratulate the official Conference organizers, Institute of Multidisciplinary Research, and the Institute of Physics, University of Belgrade, the Conference Chairs and all the Committees for winning the candidacy to host such prestigious scientific event in Novi Sad, Serbia.

The great pleasure of bringing together to this Conference renowned scientific institutions, delegates and guests from all over the world to exchange their significant scientific expertise and achieve successful conclusions and outcomes is both rewarding and challenging. The ICPPP18 Conference make us both honoured to facilitate the challenging organizational issues and keen to express our commitment and professional contribution to make all the participants feel welcome and take back home memorable and functional experiences.

We are at your service for any question and organization request you might have and will do our best to fulfill requests, demands, needs and wishes of the Conference delegates in the best possible way.

Looking forward to welcoming you to Novi Sad in September 2015,

Sincerely Yours,

Panacomp Wonderland Travel Serbia
