

*International Conference on Photoacoustic and Photothermal Phenomena*

**Support Letter to host the 2015 ICPPP Conference in Novi Sad, Serbia**

Dear colleagues,

On behalf of the Serbia Convention Bureau and with the support of Serbia and Novi Sad meeting industry we take great pleasure in submitting this invitation and support to stage the International Conference on Photoacoustic and Photothermal Phenomena in Novi Sad, Serbia.

Novi Sad, with its calmness and the proficiency and with brand new facilities in combination with great hotel choice creates perfect events destination. In addition, enviable alliance between the local government and industry and expertise and eagerness of the Institute of Multidisciplinary Research and Institute of Physics, University of Belgrade guarantees the superior event in Novi Sad and satisfied ICPPP delegates, members and sponsors.

Drawing on the wealth of experience and credentials, Novi Sad is well poised to set a new benchmark for the ICPPP events.

Looking forward to hosting you I am sending my best regards,

Milos Milovanovic  
CEO
